

REGION 5 RECOVERY HUB

STRATEGIC PLANNING LISTENING
SESSION FOR JUNIATA COUNTY

Are you part of the recovery community in Juniata County? Do you have ideas on how we can better support individuals on their recovery journey?

PMHCA was awarded DDAP's Recovery Hub grant in July 2024, and we are now in the final stages of developing this grant years strategic plan. As we look ahead to the upcoming year, we want to hear directly from you—providers, peers, and individuals in recovery.
